

ESTABLISHMENT OF LOCAL PRESENCE

After having made first steps on Russian-speaking markets, foreign companies are often faced with the question to establish a local presence in order to strengthen the position.

Lighthouse offers a turn-key solution for this:

Goal, Objectives and Actions of Establishment of Local Presence

Goal: Strengthening market position		
Objective: Establishing a local office		
Actions:	Advise on legal and tax matters	<p>Lighthouse will advise the client on different options of establishing a local office, including</p> <ol style="list-style-type: none"> 1. Legal and operational advantages and disadvantages of a representative office and a legal entity 2. Information on corporate and personal taxation
	Register a local office	<p>Lighthouse will carry out the whole procedure of registration of a local office, including among others:</p> <ol style="list-style-type: none"> 1. Registration with the relevant state registration authorities 2. Registration with tax and social security authorities 3. Opening of bank accounts <p>The client will provide Lighthouse with all necessary documents for the registration.</p>

If requested, Lighthouse can as well assist the client in **office search** and **staff recruitment**.

Lighthouse can advise the client on a case-to-case basis on how to organize the functioning of the local office. This includes, but is not limited to:

1. **Daily Business**
2. **Financial Administration**
3. **Staff Administration**
4. **Deal Structuring & Contracting**
