

Report
on the charitable donation from
Mr. Jeroen Ketting (Lighthouse Russia BV)

Dear Jeroen,
It was so precious to receive your kind donation on sports equipment and materials for children's creative work in our summer camp.

All the equipment brought much delight and happiness to our students and they families and was used as a helpful tool at therapeutic sessions.

We are deeply grateful to you for your kindness!

With kindest regards,
Anna Bitova
President
